

SANTA YNEZ COMMUNITY SERVICES DISTRICT

MEMORANDUM

TO: Board of Directors
FROM: Wendy Berry, Secretary/Treasurer
DATE: January 19, 2022
SUBJECT: Review, Discuss and Consider Adopting District Resolution 22-01

Recommendation

Review, discuss and consider adopting of District Resolution 22-01, a Resolution of the Board of Directors of the Santa Ynez Community Services District Authorizing Continuation of Remote Teleconference Meetings of the District's Legislative Bodies Pursuant to Government Code Section 54953(e) for the period January 19, 2022 to February 18, 2022.

Policy Implications

Adoption of Resolution 22-01 would allow the Board to continue conducting its Board meetings remotely pursuant to Government Code 54953(e) and AB 361.

Fiscal Implications

There are none currently.

Alternatives Considered

The Board elects to not adopt Resolution 22-01 and revert to meeting in person and with the requirements of the Brown Act for any Board member attending the meeting at a remote location.

Discussion

The State of California has passed Assembly Bill 361, this bill, until January 1, 2024, would authorize a local agency to use teleconferencing without complying with the teleconferencing requirements imposed by the Ralph M. Brown Act when a legislative body of a local agency holds a meeting during a declared state of emergency.

AB 361 would require legislative bodies that hold teleconferenced meetings under these abbreviated teleconferencing procedures to give notice of the meeting and post agendas, as described, to allow members of the public to access the meeting and address the legislative body, via a call-in option or an internet-based service option, and to conduct the meeting in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body.

Since March of 2020 the Board of Directors has conducted its Board meetings under the provisions of Government Code 54953(e), allowing the meetings to be conducted

remotely via teleconferencing without compliance with the requirements of Government Code section 54953(b)(3). The ability to conduct the meetings remotely via teleconference is due to the state of emergency declared by the Governor of California pursuant to Government Code section 8625, due to the pandemic of the Corona virus.

AB 361 requires the district to acknowledged that a state of emergency, declared by the Governor of California exists and that state or local officials have imposed or recommended measures to promote social distancing. The state of emergency declared by Governor Newsom remains in effect along with the attached document titled "Health Officials AB 361 Social Distance Recommendation", issued on September 28, 2021, by the Santa Barbara County Health Department, allows the Board to consider adoption of Resolution 21-16.

The Board originally adopted Resolution 21-12 finding that the requisite conditions existed for the Board of Directors and other legislative bodies of the district to conduct remote teleconference meetings without compliance with Government Code 54953 (b) (3).

If the Board adopts Resolution 22-01, attending meetings by teleconference under AB 361 and Government Code 54953(e) will continue and expire on February 18, 2022 unless, on or before that date and every thirty (30) days thereafter, the Board adopts a subsequent resolution setting forth the findings required by Government Code section 54953(e)(3) to extend the timeframe that the district may continue conducting its public meetings via teleconference in compliance with government Code Section 54953(b)(3).

HEALTH OFFICIALS AB 361 SOCIAL DISTANCE RECOMMENDATION

Issued: September 28, 2021

COVID-19 disease prevention measures, endorsed by the Centers for Disease Control and Prevention, include vaccinations, facial coverings, increased indoor ventilation, handwashing, and physical distancing (particularly indoors).

Since March 2020, local legislative bodies-such as commissions, committees, boards, and councils- have successfully held public meetings with teleconferencing as authorized by Executive Orders issued by the Governor. Using technology to allow for virtual participation in public meetings is a social distancing measure that may help control transmission of the SARS-CoV-2 virus. Public meetings bring together many individuals (both vaccinated and potentially unvaccinated), from multiple households, in a single indoor space for an extended time. For those at increased risk for infection, or subject to an isolation or quarantine order, teleconferencing allows for full participation in public meetings, while protecting themselves and others from the COVID-19 virus.

Utilizing teleconferencing options for public meetings is an effective and recommended social distancing measure to facilitate participation in public affairs and encourage participants to protect themselves and others from the COVID-19 disease. This recommendation is further intended to satisfy the requirement of the Brown Act (specifically Gov't Code Section 54953(e)(1)(A)), which allows local legislative bodies in the County of Santa Barbara to use certain available teleconferencing options set forth in the Brown Act.
