

SANTA YNEZ COMMUNITY SERVICES DISTRICT

MEMORANDUM

TO: Board of Directors
FROM: Jose Acosta, General Manager
Mike Kielborn, District Engineer
DATE: May 19, 2021
SUBJECT: Review, Discussion, and Recommendation on Awarding Contract for Horizon Drive Mainline Extension Project

Recommendation

Review, discuss, and provide staff with direction on awarding contract to complete Horizon Drive mainline extension project and authorizing the General Manager or Board Secretary to sign the contract agreement on behalf of the District and authorize the General Manager to sign the notice to proceed and notice of award.

Policy Implications

The District solicited bids for the Horizon Drive mainline extension project. Three bids were received for the project, one bid being disqualified as it arrived late, but submitted for reference.

Fiscal Implications

The bids received to complete the project came in between the range of \$998,315-\$1,273,170. The total costs to complete the project could be realized within the range of \$1,200,00-\$1,473,000. This figure would consider the costs for construction management services, soils compaction testing and inspection work, and all additional work completed prior to project commencement.

Alternatives Considered

The alternatives the Board could consider would be to reevaluate the project and resolicit bids incorporating a larger portion of the westside area, resolicit bids solely with Horizon Drive, or reject all bids and reevaluate the project.

Discussion

The Horizon Drive mainline extension project is a vital undertaking, aimed at ensuring the residents within the project area can make the transition from septic to sewer, as needed and required. The project is also beneficial and imperative in ensuring the future conversion of the Santa Ynez westside corridor from septic to sewer.

The replacement of on-site septic systems and converting to sewer services was recommended in the Onsite Wastewater Treatment Systems Local Agency Management Plan (LAMP), published by the Santa Barbara County Public Health Department - Environmental Health Services. The LAMP recommended the conversion from septic systems to public sewers in several areas of Santa Barbara County including portions of the west side of Santa Ynez, where significant

problems or threats to public health have been identified. This project will be the first step in providing twenty-one parcels along Horizon Drive the option to abandon their septic systems and connect to the public sewer system.

The proposed project will extend the sewer pipeline collection system with a connection at an existing District manhole along Highway 246, just south of Horizon Drive. The project will continue north from this manhole through three acquired property easements up to Horizon Drive. The mainline will continue east and west along Horizon Drive, terminating at the east end of the road and at the west end prior to reaching Refugio Road. The mainline extension will allow for twenty-one parcels to connect to the sewer system and for future expansion of the District collection system.

The District has invested in this project to date with the engineering plans, specifications and designs completed by the District engineer, the consulting services provided by Hamner, Jewell and Associates in procuring the required easements, a biological survey completed by Terra Verde Environmental Consulting, legal services to review and assist in compilation of all legal documents and agreements, consulting work completed by Tuckfield and Associates with completion of the capacity fee study, and District staff time and efforts coordinating all these services throughout the process. Staff ensured that the Board and public were provided with regular updates to allow the Board to provide the necessary direction to proceed with the project.

At its March 10, 2021 Special Board meeting, the Board reviewed, discussed, and authorized staff to issue and release an invitation to bid, along with all bidding documents. On March 17, 2021, these documents were released, advertised in several newspapers, and posted on the District's website for prospective contractors to review and consider the project.

Within the bid documents, staff provided a date for a mandatory pre-bid meeting and site walk. District staff maintained communication with all prospective contractors and responded to all inquiries from contractors, issuing two addenda. These addendas contained all responses to inquiries from the contractors who attended the pre-bid meeting and were planning to submit bid packets.

On Tuesday May 11, 2021 at 2:00pm, with two contractors delivering their bids, staff opened the bid packets for public presentation. The bids were documented, and amounts compiled on a spreadsheet to send out to staff and contractors. A third bid was received by the District, but the bid is disqualified as it arrived late and not by the required bid opening time. This third bid is included for reference only.

The three bids submitted are as follows:

- Specialty Construction Inc.- \$998,315
- Tierra Contracting- \$1,126,600
- Raminha (Disqualified)- \$1,273,170

Attached for the Board to review are the public bid opening compilation listing and the three bid packets submitted. The two bids that may be considered were submitted by Specialty Construction Inc. and Tierra Contracting. Also attached, if the Board chooses to proceed with awarding the contract, are the Notice of Award, Notice to Proceed, and Agreement documents, which were included in the final bid documents.

Staff is requesting the Board to review, discuss, and provide direction to staff on how to proceed with the project. Staff is also requesting the Board to authorize the General Manager or Board Secretary to sign the project documents on behalf of the District.

SECTION 00300

BID FORM

Santa Ynez Community Services District
1070 Faraday Street
P.O. Box 667
Santa Ynez, CA 93460

Date: 5/7/2021

The undersigned, as bidder, declares that it has received and examined the documents entitled Santa Ynez Community Services District Horizon Sewer Project, SYCSD Project No. 2021-01 and will contract with the Owner, on the form of Agreement provided herewith, to do everything required for the fulfillment of the contract for the construction of the project at the prices and on the terms and conditions herein contained.

The undersigned bidder agrees that the following shall form a part of this proposal:

<u>Section</u>	<u>Title</u>
00300	Bid Form
00310	Bid Schedule
00410	Bid Guaranty Bond
00430	Proposed Subcontractors
00440	Statement of Experience
00450	Noncollusion Affidavit

The undersigned bidder acknowledges that Addenda numbers 1 through 2 have been received and have been examined as part of the Contract Documents.

Attached is a Bid Guaranty Bond duly completed by a guaranty company authorized to carry on business in the State of California in the amount of at least ten percent (10%) of the total amount of our bid, or alternatively, there is attached a certified or cashier's check payable to the Owner in the amount of at least ten percent (10%) of the total amount of our bid.

If the bid is accepted, the undersigned bidder agrees to sign the agreement and to furnish the required faithful performance bond, payment bond, and evidence of insurance within ten (10) calendar days after receiving notice of the award of the contract.

The undersigned bidder further agrees that time is of the essence and if the bid is accepted and a contract for performance of the work is entered into with the Owner, to so plan work and to prosecute it with such diligence that the work shall be completed before the expiration of one hundred fifty (150) consecutive calendar days from the date of receipt of the Notice to Proceed, and that as provided for in GENERAL CONDITIONS - PARTS 6.02 D-3 (Damages for Delays), and 6.02 E (Liquidated Damages) the sum of five hundred and 00/100 Dollars (\$500.00) per calendar day for each and every days' delay in finishing the work beyond the time prescribed herein may be deducted from payments due as liquidated damages.

The undersigned bidder also hereby agrees to perform all the work described in the Contract Documents and as outlined in the "BID SCHEDULE", with all work to be complete and in place and in operational condition as specified.

SECTION 00410

BID GUARANTY BOND

KNOW ALL MEN BY THESE PRESENTS:

THAT Specialty Construction, Inc., HEREINAFTER called the Principal, and Harco National Insurance Company, HEREINAFTER called the Surety, are jointly and severally held and firmly bound unto the Santa Ynez Community Services District, HEREINAFTER called the Obligee, each in the penal sum of ten percent (10%) of the total amount of the Bid of the Principal for the work, this sum not to exceed ten percent of the amount bid----- dollars (\$10%-----) in lawful money of the United States for payment whereof unto the Obligee, the Principal and Surety jointly and severally find themselves forever firmly by these presents.

WHEREAS, the Principal is herewith submitting its offer for the fulfillment of Obligee's contract for the Santa Ynez Community Services District Horizon Sewer Project, SYCSD Project No. 2021-01.

NOW, THEREFORE, the condition of this obligation is such that if the Principal is awarded the contract, and if the Principal within the time specified in the bid for such contract, enters into, executes, and delivers to the Obligee an Agreement in the form provided herein complete with evidences of insurance, and if the Principal within the time specified in the bid gives to the Obligee the performance and payment bonds on the form provided herein, then this obligation shall be void; otherwise, the Principal and Surety will pay unto the Obligee the difference in money between the total amount of the bid of the Principal and the amount for which Obligee legally contracts with another party to fulfill the contract if the latter amount be in excess of the former, but in no event shall the Surety's liability exceed the penal sum hereof.

AND IT IS HEREBY DECLARED AND AGREED that the Surety shall be liable under this obligation as Principal, and that nothing of any kind or nature whatsoever that will not discharge the Principal shall operate as a discharge or a release of liability of the Surety.

IT IS HEREBY FURTHER DECLARED AND AGREED that this obligation shall be binding upon and inure to the benefit of the Principal, the Surety and the Obligee and their respective heirs, executors, administrators, successors and assigns.

STATEMENT OF EXPERIENCE

On one or more separate sheets of paper, provide the information requested below:

1. List of similar projects completed by the Contractor within the last five (5) years, including project names, descriptions, locations and contract values, and contact names and telephone numbers.
See attached "Similar Projects."
2. List of names and contract value of all projects completed by the Contractor in the last year.
See attached "Projects Completed in the Last Year (May 2020 – May 2021)."
3. Statement of the Contractor's ability to commence and prosecute the work on this project in a timely manner.
See attached "Statement of Contractor's Ability."
Responses to questions 4 and 5 provided below.
4. Responses to the following questions:
 - (a) Has your Contractor's license been revoked at any time in the last five (5) years? If yes, please explain. No.
 - (b) Has a surety firm completed a contract on your behalf, or paid for completion because your firm was in default or terminated by the project owner within the last five (5) years? If yes, please explain. No.
 - (c) In the last five (5) years, has your firm or any of its owners or officers been convicted of a crime involving the awarding of a contract of a government construction project, or the bidding or performance of a government contract? If yes, please explain. No.
 - (d) Has there been a change in the ownership of your firm in the last three (3) years? If yes, please explain. (Publicly traded corporations need not respond to this question.) No.
 - (e) Is your firm currently the debtor in a bankruptcy case? No.
 - (f) Has your firm been in bankruptcy in the last five (5) years? No.
 - (g) Has your firm changed names or license numbers in the last five (5) years? If yes, please explain. No.
 - (h) Has any license held by your firm or its responsible managing employee or responsible managing officer been suspended within the last five (5) years? If yes, please explain. No.
5. At any time in the last five (5) years has your firm been assessed and paid liquidated damages after completion of a project under a construction contract with a public agency or private owners? If yes, please explain and provide a list of all such projects by owners, owner's address, the date of the completion and the amount of liquidated damages. No.

****END OF SECTION****

ADDENDUM NUMBER 1 TO THE BID DOCUMENTS

Amendment Date: May 3, 2021

**BID DOCUMENT NUMBER 2021-01
HORIZON SEWER PROJECT**

A. This Addendum shall be considered part of the bid documents for the above-mentioned project as though it had been issued at the same time and shall be incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original bid documents, this Addendum shall govern and take precedence. BIDDERS MUST SIGN THE ADDENDUM AND SUBMIT IT WITH THEIR BIDS.

B. Bidders are hereby notified that they shall make any necessary adjustments in their estimates as a result of this Amendment. It will be construed that each bidder's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

Except as described below, the original bid document remains unchanged. The bid documents are modified and/or clarified, as follows:

Responses to bidders' questions:

Question #01	
Subject:	Trench Backfill Under Existing Pavement
Reference Specification:	n/a
Reference Plan Page:	Sheet 6, Drawing S-2
Question:	Per detail S-2, backfill material specification is not specified in trench and street zones, only compaction. Will this be a native backfill, structural backfill, or a slurry backfill underneath the currently existing paved surfaces? If slurry, will there be an AC/AB ratio or will AC be laid directly on top of slurry backfill?

Answer: Assume native backfill for trench backfill.

Question #02	
Subject:	Lateral Connections to Mainline
Reference Specification:	
Reference Plan Page:	
Question:	Several laterals are called out to be installed to the mainline throughout the project alignment. Typical Lateral Sewer Detail S-3 shows the lateral branch wye coming off the mainline, and Lateral Sewer Installation Detail S-6 shows installation from the mainline to the property with via 3-options: 1) Standard Lateral Sewer, Alternate "A", or Alternate "B". Question: Due to the significant depth of the mainline sewer, would the District allow a concrete encased "Chimney" style lateral connection per the attached detail?

Answer: Yes, a "chimney" style lateral is acceptable for deep laterals. Attached sample detail would be acceptable.

Question #03	
Subject:	Geotechnical Report
Reference Specification:	
Reference Plan Page:	
Question:	1) Please provide a Geotechnical report with Bore Logs so bidders can ascertain and appropriately bid influences of the soil types, shoring needs, export quantities, and potential groundwater elevations (if any) that would assist in determining bid costs?

Answer: Geotechnical report for the two test holes on Horizon Drive is attached along with water level data taken from the boreholes.

Question #04	
Subject:	Lateral Termination
Reference Specification:	
Reference Plan Page:	Lateral Sewer Installation / Detail S-6
Question:	1) The referenced detail indicates new sewer laterals will stop at the property line. However, Note 4/ Sheet 4 & 5 states: "Install and Cap lateral wye per SYCSD standard Detail S-3, on Sheet 6. Extend laterals to 2-feet beyond edge of pavement or back of curb and cap at an elevation of 6' deep.": a. Please identify where the residential property line is in relationship to the AC curbs on each side of Horizon Drive? b. If laterals are run onto residential property, please identify the existing physical features (landscaping, decorative rock, concrete or brick/stone) and replacements required per residence? c. Please confirm that the residential lateral connection to residences is not part of this Contract?

Answer: The contractor is only required to extend the laterals to two feet beyond the edge of pavement and cap the laterals.

Question #05	
Subject:	Existing Sanja Cota Motel Sewer mainline and manholes
Reference Specification:	
Reference Plan Page:	Horizon Drive Easement and Hwy 246-Plan & Profile View, Sheet 2 of 6
Question:	1) The profile & plan view show the existing 8" sewer line servicing the Santa Cota Motel being directly over and conflicting with installation of the new 8" mainline: a. Can the District define the length of this conflict, as it appears the existing sewer deviates away from, then back into the centerline of the new 8" sewer mainline? b. Are contractors to bypass the Sanja Cota Motel sewer flows during the removal of this line? c. What are we to anticipate for sewer flow (GPD)?

Answer: The existing sewer line diverges away from the new proposed sewer line. It is anticipated that the length of the conflict will be approximately 20 feet. The Sanja Cota sewer laterals are connected to manhole E0 via an existing 8-inch pipe. They must remain in service for the duration of the project. The

property owner is connected, as well as approximately four motel rooms. Daily sewer flows are estimated to be approximately 500 gallons per day, but could be up to 1,000 gallons per day.

Question #06	
Subject:	Abandoned Dry Wells
Reference Specification:	
Reference Plan Page:	Horizon Drive Easement and Hwy 246-Plan View, Sheet 2
Question:	<p>1) Note 8-"Remove any interfering Abandoned Dry Wells"</p> <p>a. Please identify what this work entails, the limits of removal and the depth?</p> <p>b. How many dry wells are to be removed?</p> <p>c. What is the material makeup of the dry wells?</p>

Answer: There are no records of what is remaining of the abandoned dry wells. Removal is limited to only that which is necessary to allow for proper pipe bedding and installation of the proposed sewer. Any interfering portions of the dry wells shall be removed and disposed of. No additional removal is required.

Question #07	
Subject:	Manhole Diameter
Reference Specification:	
Reference Plan Page:	48" I.D. Standard Sewer Manhole with Precast Base /Detail S-8, Sheet 6 of 6
Question:	<p>Note 2 on this detail states: "Manholes with a depth greater than 10 feet from cover to invert shall be 60" diameter standard, See Dwg. S-10.</p> <p>Construction Note 1 on plan Sheets 3, 4, & 5 indicates that all precast manholes are to be 48" diameter, even though the profile shows each new manhole to be provided greater than 10' depth from rim to invert.</p> <p>1) Please identify the diameter of sewer manholes required for this project? Unless directed otherwise, contractors will bid 48" diameter manholes as called out in the construction notes.</p>

Answer: All manholes shall be 48-inch diameter.

Question #08	
Subject:	Existing Sewer Mainline from Tie-In at Existing Manhole STA 3+13.39
Reference Specification:	
Reference Plan Page:	Horizon Drive Easement and Hwy 246-Profile View, Sheet 2
Question:	<p>1) Please confirm the existing mainline from STA 3+13.39 manhole downstream is currently clean and no work is necessary from bidding contractors?</p> <p>2) If work by bidding contractors is to be performed from the existing manhole at STA 3+13.39 downstream, please identify this work and the limits of work?</p>

Answer: The existing manhole at Sta 3+19.39 is existing and can remain in place. Contractor shall verify that the stub coming out of the manhole is aligned sufficiently to connect to with a strongback coupling. If the stub was installed incorrectly, the contractor will need to modify the connection so that it is in proper alignment.

Question #09	
Subject:	Permits
Reference Specification:	
Reference Plan Page:	Horizon Sewer Project Report by Cannon, Section 6.5-Permits
Question:	<ol style="list-style-type: none"> 1) Please identify if the District will secure the Santa Barbara County Encroachment Permit? 2) Are there any Caltrans Permits, Conditions or Bond fees contractors should consider in their bids?

Answer: The contractor will be required to secure the SBCO Encroachment Permit. No Caltrans permits are required.

Question #10	
Subject:	Bid Item #13- Provide Dewatering for 6-Weeks
Reference Specification:	Section 02250-Dewatering
Reference Plan Page:	
Question:	<ol style="list-style-type: none"> 1) Please provide a geotechnical report with bore logs so contractors can ascertain the existing ground water level in relationship to the depth of the new sewer mainline. 2) Likewise, a geotechnical report and bore logs will classify soil types and permeability to ascertain dewatering equipment.

Answer: Geotechnical report for the two test holes on Horizon Drive is attached along with water level data taken from the boreholes.

11. Question: Per Note 2 on SYCSD Std. Dwg. S-8, "Manholes with a depth greater than 10 feet from cover to invert shall be 60" diameter standard, see Dwg. S-10". Qty. (4) of the (6) Manholes are greater than 10' deep. However, the Plan Sheets and Bid Item 6 call out for all the Manholes to be 48" diameter. Please clarify. If 60" Diameter Manholes are required for the Manholes greater than 10 feet deep, please furnish Standard Drawing S-10.

Answer: All manholes are to be 48-inch diameter. Please disregard the note in Standard Drawing S-8 requiring manholes deeper than 10 feet to be 60-inches in diameter.

12. Question: The specs call for the contractor to obtain for a SBCO Road Encroachment Permit. The County wants \$ 265 to start the process. Can the district add a dollar amount to the bid schedule and give us all the contractors same allotment. The selected Contractor can prepare a traffic control plan and pick up the application and the district picks up the tab.

Answer: The District does not know the fees associated with the Encroachment Permit, and will not be securing the permit. Contractors shall allow adequate budget in your bids for securing the required permits for this project.

13. Question: The specs also call for the contractor to obtain a Caltrans Encroachment Permit, I don't see us working within the Caltrans Right of way, is this permit necessary?; And if so can the district do the same \$ allotment as the county. FYI: Caltrans permits are taking up to 6 months average to be issued and they too want money up front to start the process.

Answer: It is not necessary to obtain a Caltrans Encroachment Permit for the work included in this project. If you plan on using Caltrans right of way for staging equipment and materials on the south end of the project, it will be your responsibility to obtain any and all permits required for your construction activities.

14. Question: Can the District supply a Soils Compaction Testing Requirements spelled out in writing so all the contractors are bidding apples to apples.

Answer: All trench backfill shall be compacted to a minimum relative compaction of 90%. The top 2 ½ feet of the trench within roadbed areas shall be compacted in horizontal layers not exceeding 8 inches in thickness, and compacted to 95%. The specific compaction testing requirements during construction will be per the conditions called out in the SBCO Encroachment Permit.

15. Question: I believe you have bid items 4 and 5 reversed. I see it as 440 LF @ 9.96 Average 15.00 D to 8.00 D and 1,460 LF @ 15.20 Average form 11.00 D to 20.50 D

Answer: Bid items are correct. While most of the sewer is fairly deep, "DEEP TRENCH" refers to areas that are >18 feet deep. (Station 12+47 to Station 16+77 specifically). All other areas are lumped into the "SHALLOW TRENCH" bid item. Please bid accordingly.

16. Question: Bid Item #8 I count 20 Laterals the bid schedule shows 21 ea.

Answer: The bid schedule is correct. Please provide 21 sewer laterals. A lateral for 3097 Hwy 246 was not shown on the plans. See below for approximate location.

17. Question: Is there any way we could walk the area between the Hotel Parking Lot to the home on Horizon Dr? That is a big part of the job and would be beneficial to the contractor to see up close.

Answer: Unfortunately, it is not possible at this time to walk the area between the hotel parking lot and Horizon Drive.

18. Question: I looked on the ERGO website and I need a product number for the Ring and Cover the District wants.

Answer: The hinged frame and cover shown in Standard Drawing S-15 is Product 001040030L01 by EJ.

If you need further clarifications regarding this Addendum, please contact Jose Acosta at jose@sycsd.com or phone 805-688-3008.

ADDENDUM NUMBER 2 TO THE BID DOCUMENTS
Amendment Date: May 6, 2021

BID DOCUMENT NUMBER 2021-01
HORIZON SEWER PROJECT

A. This Addendum shall be considered part of the bid documents for the above-mentioned project as though it had been issued at the same time and shall be incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original bid documents, this Addendum shall govern and take precedence. **BIDDERS MUST SIGN THE ADDENDUM AND SUBMIT IT WITH THEIR BIDS.**

B. Bidders are hereby notified that they shall make any necessary adjustments in their estimates as a result of this Amendment. It will be construed that each bidder's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

The bid documents are modified and/or clarified, as follows:

Note that the bid opening is hereby postponed to **Tuesday, May 11, 2021 at 2:00 pm.**

In anticipation of the County of Santa Barbara's backfill requirements in paved roadways, the bid schedule is hereby modified to include an additional bid item for 1-sack cement slurry backfill in paved areas in Horizon Drive from Station 7+04 to Station 16+79, as well as for the 16 laterals on Horizon Drive. Please replace Section 00310, Bid Schedule with the attached revised bid schedule.

If you need further clarifications regarding this Addendum, please contact Jose Acosta at jose@syncsd.com or phone 805-688-3008.

SPECIALTY CONSTRUCTION

Statement of Contractor's Ability

**Santa Ynez Community Services District Horizon Sewer Project
SYCSD Project No. 2021-01**

Specialty Construction, Inc. has the knowledge, manpower and equipment inventory to construct the subject project in a timely manner. We have multiple experienced Superintendents and site foreman, along with skilled operators and journeyman laborers that are familiar with gravity sewer systems, shoring, bypassing, and working within tight ROWs. Our equipment inventory has depth with multiple excavators of various weight classifications, loaders, backhoes, water trucks, and ten-wheelers which are the essential for pipeline construction. We maintain a large inventory of static shield shoring systems, manhole boxes, and shoring jacks. We are able to mobilize efficiently with our own lowbed tractor & trailer for heavy equipment hauling, and also maintain our equipment with our mobile lube & fuel truck.

SECTION 00300

BID FORM

Santa Ynez Community Services District
1070 Faraday Street
P.O. Box 667
Santa Ynez, CA 93460

Date: 5/11/2021

The undersigned, as bidder, declares that it has received and examined the documents entitled Santa Ynez Community Services District Horizon Sewer Project, SYCSD Project No. 2021-01 and will contract with the Owner, on the form of Agreement provided herewith, to do everything required for the fulfillment of the contract for the construction of the project at the prices and on the terms and conditions herein contained.

The undersigned bidder agrees that the following shall form a part of this proposal:

<u>Section</u>	<u>Title</u>
00300	Bid Form
00310	Bid Schedule
00410	Bid Guaranty Bond
00430	Proposed Subcontractors
00440	Statement of Experience
00450	Noncollusion Affidavit

The undersigned bidder acknowledges that Addenda numbers 1 through 2 have been received and have been examined as part of the Contract Documents.

Attached is a Bid Guaranty Bond duly completed by a guaranty company authorized to carry on business in the State of California in the amount of at least ten percent (10%) of the total amount of our bid, or alternatively, there is attached a certified or cashier's check payable to the Owner in the amount of at least ten percent (10%) of the total amount of our bid.

If the bid is accepted, the undersigned bidder agrees to sign the agreement and to furnish the required faithful performance bond, payment bond, and evidence of insurance within ten (10) calendar days after receiving notice of the award of the contract.

The undersigned bidder further agrees that time is of the essence and if the bid is accepted and a contract for performance of the work is entered into with the Owner, to so plan work and to prosecute it with such diligence that the work shall be completed before the expiration of one hundred fifty (150) consecutive calendar days from the date of receipt of the Notice to Proceed, and that as provided for in GENERAL CONDITIONS - PARTS 6.02 D-3 (Damages for Delays), and 6.02 E (Liquidated Damages) the sum of five hundred and 00/100 Dollars (\$500.00) per calendar day for each and every days' delay in finishing the work beyond the time prescribed herein may be deducted from payments due as liquidated damages.

The undersigned bidder also hereby agrees to perform all the work described in the Contract Documents and as outlined in the "BID SCHEDULE", with all work to be complete and in place and in operational condition as specified.

SECTION 00410

BID GUARANTY BOND

KNOW ALL MEN BY THESE PRESENTS:

THAT Tierra Contracting Inc., HEREINAFTER called the Principal, and Travelers Casualty and Surety Company of America, HEREINAFTER called the Surety, are jointly and severally held and firmly bound unto the Santa Ynez Community Services District, HEREINAFTER called the Obligee, each in the penal sum of ten percent (10%) of the total amount of the Bid of the Principal for the work, this sum not to exceed 10% of Amount Bid in dollars (\$ 10% of Bid) in lawful money of the United States for payment whereof unto the Obligee, the Principal and Surety jointly and severally find themselves forever firmly by these presents.

WHEREAS, the Principal is herewith submitting its offer for the fulfillment of Obligee's contract for the Santa Ynez Community Services District Horizon Sewer Project, SYCSD Project No. 2021-01.

NOW, THEREFORE, the condition of this obligation is such that if the Principal is awarded the contract, and if the Principal within the time specified in the bid for such contract, enters into, executes, and delivers to the Obligee an Agreement in the form provided herein complete with evidences of insurance, and if the Principal within the time specified in the bid gives to the Obligee the performance and payment bonds on the form provided herein, then this obligation shall be void; otherwise, the Principal and Surety will pay unto the Obligee the difference in money between the total amount of the bid of the Principal and the amount for which Obligee legally contracts with another party to fulfill the contract if the latter amount be in excess of the former, but in no event shall the Surety's liability exceed the penal sum hereof.

AND IT IS HEREBY DECLARED AND AGREED that the Surety shall be liable under this obligation as Principal, and that nothing of any kind or nature whatsoever that will not discharge the Principal shall operate as a discharge or a release of liability of the Surety.

IT IS HEREBY FURTHER DECLARED AND AGREED that this obligation shall be binding upon and inure to the benefit of the Principal, the Surety and the Obligee and their respective heirs, executors, administrators, successors and assigns.

POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS: That Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company are corporations duly organized under the laws of the State of Connecticut (herein collectively called the "Companies"), and that the Companies do hereby make, constitute and appoint Judy Pearen of Santa Barbara, California, their true and lawful Attorney-in-Fact to sign, execute, seal and acknowledge any and all bonds, recognizances, conditional undertakings and other writings obligatory in the nature thereof on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

IN WITNESS WHEREOF, The Companies have caused this instrument to be signed, and their corporate seals to be hereto affixed, this 3rd day of February, 2017.

State of Connecticut
City of Hartford ss.

By:
Robert L. Raney, Senior Vice President

On this the 3rd day of February, 2017, before me personally appeared Robert L. Raney, who acknowledged himself to be the Senior Vice President of Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of the corporations by himself as a duly authorized officer.

In Witness Whereof, I hereunto set my hand and official seal.

My Commission expires the 30th day of June, 2021

Marie C. Tetreault
Marie C. Tetreault, Notary Public

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, Kevin E. Hughes, the undersigned, Assistant Secretary of Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this 26th day of April, 2021

Kevin E. Hughes
Kevin E. Hughes, Assistant Secretary

To verify the authenticity of this Power of Attorney, please call us at 1-800-421-3880.
Please refer to the above-named Attorney-in-Fact and the details of the bond to which the power is attached.

SECTION 00420

NONDISCRIMINATION IN EMPLOYMENT

Attention is directed to California Labor Code section 1735, which is applicable to the work under this Contract and which reads as follows: "No discrimination shall be made in the employment of persons upon public works because of their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons, except as provided in Section 12940 of the Government Code, and every contractor for public works violating this section is subject to all the penalties imposed for a violation of this chapter."

****END OF SECTION****

SECTION 00430

PROPOSED SUBCONTRACTORS

The following information gives the name, business address, California contractor license number, and portion of work (description of work to be done) for each subcontractor that will be used in the work if the bidder is awarded the contract. No subcontractor doing work in excess of 0.5 percent of the total amount of the bid, and who is not listed, shall be used without the written approval of the Owner. (Additional information may be attached to this page. Each page shall be subsequently numbered, e.g., 00430-2, and headed, "Proposed Subcontractors", and shall be signed).

SECTION 00440

STATEMENT OF EXPERIENCE

On one or more separate sheets of paper, provide the information requested below:

1. List of similar projects completed by the Contractor within the last five (5) years, including project names, descriptions, locations and contract values, and contact names and telephone numbers. * SEE ATTACHED *
2. List of names and contract value of all projects completed by the Contractor in the last year.
* SEE ATTACHED *
3. Statement of the Contractor's ability to commence and prosecute the work on this project in a timely manner.
* SEE ATTACHED *
4. Responses to the following questions:
 - (a) Has your Contractor's license been revoked at any time in the last five (5) years? If yes, please explain. *NO*
 - (b) Has a surety firm completed a contract on your behalf, or paid for completion because your firm was in default or terminated by the project owner within the last five (5) years? If yes, please explain. *NO*
 - (c) In the last five (5) years, has your firm or any of its owners or officers been convicted of a crime involving the awarding of a contract of a government construction project, or the bidding or performance of a government contract? If yes, please explain. *NO*
 - (d) Has there been a change in the ownership of your firm in the last three (3) years? If yes, please explain. (Publicly traded corporations need not respond to this question.) *NO*
 - (e) Is your firm currently the debtor in a bankruptcy case? *NO*
 - (f) Has your firm been in bankruptcy in the last five (5) years? *NO*
 - (g) Has your firm changed names or license numbers in the last five (5) years? If yes, please explain. *NO*
 - (h) Has any license held by your firm or its responsible managing employee or responsible managing officer been suspended within the last five (5) years? If yes, please explain. *NO*
5. At any time in the last five (5) years has your firm been assessed and paid liquidated damages after completion of a project under a construction contract with a public agency or private owners? If yes, please explain and provide a list of all such projects by owners, owner's address, the date of the completion and the amount of liquidated damages. *NO*
